

# APCTP Focus Program in Nuclear Physics 2021 Part I: Hadron properties in a nuclear medium from the quark and gluon degrees of freedom

## Thursday, July 15, 2021

### Session D (10:35 AM - 12:35 PM)

-Conveners: Ho-Meoyng Choi

time	[id] title	presenter
10:35 AM	[13] Mesons in nuclei and partial restoration of chiral symmetry	JIDO, Daisuke
11:05 AM	[14] phi meson properties in nuclear matter	GUBLER, Philip
11:35 AM	[15] Structure and formation of mesic atoms and mesic nuclei	HIRENZAKI, Satoru
12:05 PM	[16] Charmonium in nuclear matter and nuclei	COBOS-MARTÍNEZ, J. J.
