

Reimei Workshop "Hadrons in dense matter at J-PARC"

Monday, February 21, 2022

Session 1: Phi meson in matter (experiment) (4:00 PM - 6:10 PM)

time	[id] title	presenter
4:00 PM	[2] Study of phi->KK decay in p+A collisions at J-PARC	SAKO, H. SAKO, Hiroyuki
4:40 PM	[3] J-PARC E16 has started -- spectral change of vector mesons in nuclei --	YOKKAICHI, Satoshi
5:10 PM	[4] Phi meson production and propagation in cold and dense nuclear matter measured with HADES	LORENZ, M.
5:40 PM	[5] First experimental Evidence of an Attractive Proton- ϕ Interaction	CHIZZALI, E.
