

Reimei Workshop "Hadrons in dense matter at J-PARC"

Tuesday, February 22, 2022

Session 5: Transport Simulations (8:00 PM - 10:00 PM)

time	[id] title	presenter
8:00 PM	[18] The phi meson in nuclear matter from dilepton and KK decay channels	GUBLER, Philipp
8:30 PM	[19] Vector mesons moving in medium	KIM, H.J.
9:00 PM	[21] In-medium effects on open/hidden strangeness production in heavy-ion collisions at (sub-)threshold energies	SONG, T.
9:30 PM	[20] Hadron induced Charmonium production	WOLF, G.
