

Reimei Workshop "Hadrons in dense matter at J-PARC"

Wednesday, February 23, 2022

Session 6: Mesonic Nuclei/QCD at Finite Density (4:00 PM - 6:00 PM)

time	[id] title	presenter
4:00 PM	[22] Recent topics on π -, K -, $\eta(958)$ -mesonic bound states	HIRENZAKI, Satoru
4:30 PM	[23] K^+N scattering and in-medium strange quark condensate	JIDO, D.
5:00 PM	[24] Quark-Hadron-Crossover equations of state for neutron stars	KOJO, T.
5:30 PM	[25] Study of hadron behavior in finite density at J-PARC and NICA	NAKAMURA, A.
